Direct Market Ordering Catalog for Products Shipping in January and Beyond

Hello comic retailers and fans!

Welcome to PRH Panels, the Penguin Random House catalog for the Direct Market, highlighting the incredible graphic novels, manga, games, and more that debut every month. We can't wait for you to find the next story to inspire and entertain you, and the latest games and gifts to bring you together.

In the category spotlight section, we're celebrating Indigenous Peoples' Heritage with some great comics, graphic novels, kids, and prose books that explore indigenous history and culture. Including Marvel's One-Shot, *Kahhori: Reshaper of Worlds*, the graphic adaptation of *Roxanne Dunbar-Ortiz's Indigenous Peoples' History of the United States*, *Carving Space: The Indigenous Voices Awards Anthology*, and *The Barren Grounds*, the first book in the *The Misewa Saga*. We've also got you covered with perfect holiday gifts, including books, merchandise, and games that range from stocking stuffers to cookbooks and boxed sets. Including *Bluey: Jingle Bells*, *Lore Olympus: The Official Coloring Book*, *Akira 35th Anniversary Box Set*, and *Marvel Multiverse Role-Playing Game: Core Rulebook*.

This month, we are featuring *Stranger Things and Dungeons & Dragons: The Rise of Hellfire #1* in our comics section. A clever crossover of *Stranger Things* and *Dungeons & Dragons* that shows the origins of the Hellfire Club and events leading up to season 4 of the hit Netflix show. Cover A is by French illustrator, freelance fantasy artist, and fantasy author Magali Villanueve! Known for her work on franchises including *Magic: The Gathering*, *A Song of Ice and Fire*, *Star Wars*, *Warhammer*, *The Lord of the Rings* and *Call of Cthulhu*.

In our Graphic Novels section, we're spotlighting *This Beautiful, Ridiculous City* from Ten Speed Graphic. A vibrant graphic memoir of a woman—an immigrant, a survivor, a writer, a foodie, and, ultimately, an optimist—who rebuilds her life in New York City while recovering from the trauma of an abusive relationship.

For our Kids & YA section this month, we are spotlighting *5-Minute Moana Stories*. This collection is perfect for fans of Disney's Moana who are excited for *Moana 2*, coming November 27th, and the upcoming Moana Disney+ series and live-action film adaptation. Read twelve original stories about Moana and her friends in this magical 5-minute storybook collection.

This month we have renamed our Manga, Manhwa, & Manhua section to East Asian Comics, to better represent the wide variety of formats, styles, and countries represented in this section. We are highlighting *Legend of Exorcism (Novel) Vol. 1* this month. The danmei/Boys' Love novel series originally released in Chinese—and which inspired the animated series/donghua—is available in English for the first time! A standard edition is available, but we are also calling out the great value of the Limited Edition. Containing the standard edition, but with bonus merchandise shrinkwrapped to the book: a double-sided bookmark, a lined notebook, a set of 5 trading cards, and a sticker sheet. The limited edition is going to have one printing only, so be sure to act on it before it's FOC date or you may miss out.

Lastly, in our Gifts and Games section we are featuring a great prose book that will be a hit with fans of shows like *You* and *Dexter: A Serial Killer's Guide to Marriage*. Hazel and Fox are an ordinary married couple with a baby. Except for one small thing: they're murderers. Well, they used to be. They had it all. An enviable London lifestyle, five-star travels, and plenty of bad men to rid from the world. Then Hazel got pregnant. They gave up vigilante justice for life in the suburbs, which Hazel finds terribly dull. And the more she forces herself to play her monotonous, predictable role, the more she begins to feel that murderous itch again.

All this and much, much more can be found in this month's PRH Panels. Don't hesitate to explore this catalog and find the perfect new book! As always, retailers who have any questions about the ordering process or would like to open an account with PRH, are encouraged to email us at comicmarketUS@penguinrandomhouse.com.

Wishing you the very best,

ARIELLE JOVELLANOS

Good mourning, beasties. My page has been feeling a bit dour recently, so I'd like to switch it up a bit and praise one of Monster High's brightest ghouls. Ghoulia Yelps is simply a cut above the rest. She sees things that the rest of us are too busy to notice. Like Cleo de Nile crying in a bathroom stall, and Clawdeen jumping anytime a ghoul mentions Toralei's name. Maybe she knows what has happened to all the missing students?

If you ask me, Ghoulia Yelps would make an excellent Crier.

Graphic Novels

A vibrant graphic memoir of a woman—an immigrant, a survivor, a writer, a foodie, and, ultimately, an optimist—who rebuilds her life in New York City while recovering from the trauma of an abusive relationship.

This Beautiful, Ridiculous City

A Graphic Memoir

Written by KAY SOHINI

“An intimate portrait of the city not only as a place of dreams, but as a vital source for healing and self-discovery.”

—Nick Sousanis, Eisner Award-winning author of *Unflattening*

On her first night in New York City, Kay Sohini sits on the tarmac of JFK Airport making an inventory of everything she’s left behind in India: her family, friends, home, and gaslighting ex-boyfriend. In the wake of that untethering she realizes two things: she’s finally made it to the city of her literary heroes—Kerouac, Plath, Bechdel—and the trauma she’s endured has created gaping holes in her memory. As Kay begins the work of piecing herself back together she discovers the deep sense of belonging that can only be found on the streets of New York City. In the process she falls beautifully, ridiculously in love with the bustling landscape, and realizes that the places we love do not always love us back but can still somehow save us in weird, unexpected ways.

At once heartbreaking and uplifting, *This Beautiful, Ridiculous City* explores the relationship between trauma and truth, displacement and belonging, and what it means to forge a life of one’s own.

Fantastic Four launched the Marvel Age of Comics in the 1960s and in the 1970s the series remained a creative force under the guidance of Marvel's top writers, the artistry of the brothers Buscema, Keith Pollard and break-out talent George Pérez. This Omnibus edition presents FF adventures on a massive scale like Galactus vs. the High Evolutionary, while seating the drama in the closeness the team as a family.

INTERIOR SPREADS FROM **5-Minute Moana Stories**

Moana hurried to the canoe with her father. To her, there was nothing better than being near the water. After helping push off, she climbed on board with the basket of piglets.

"The smallest one isn't getting any food," she said. "There isn't too much you can do about that now. But you can come here and help me." He said, holding up the oat. "Sure to straight out."

Maui was excited to have a visitor, and he assumed Moana was there to thank him for all he'd done for humans. He exuberantly recounted some of his greatest accomplishments.

Then, just as Moana was feeling really good about Maui ... he tripped her inside a canoe. He was going to use Moana's canoe to retrieve his magical fishhook—*ahem*.

A Serial Killer's Guide to Marriage

A Novel

Written by ASIA MACKAY

Two former serial killers trying to keep their past buried realize that old habits die hard in this “wildly original, razor-sharp thriller” (Chris Whitaker, *New York Times* bestselling author of *All the Colors of the Dark*).

“An invaluable manual that I return to again and again.”

—Hugh Grant

I wasn't smashing the patriarchy; I was killing it. Literally.

Hazel and Fox are an ordinary married couple with a baby. Except for one small thing: they're murderers. Well, they used to be. They had it all. An enviable London lifestyle, five-star travels, and plenty of bad men to rid from the world. Then Hazel got pregnant.

Now, they're just another mom-and-dad-and-baby. They gave up vigilante justice for life in the suburbs: arranged play dates instead of body disposals, diapers over daggers, mommy conversations instead of the sweet seduction right before a kill. Hazel finds her new life terribly dull. And the more she forces herself to play her monotonous, predictable role, the more she begins to feel that murderous itch again.
