ON SALE 4/1/25

In 1988, the pop culture world was rocked when comics readers were given the opportunity to decide the outcome of one of the medium's most controversial quandaries: Should the Boy Wonder die? While history has taught us one answer to that question, a second answer is now told—What if Robin lived?

Jason Todd, the second teenager to wear the mask of Robin, survived a brutal beating at the hands of maniacal Joker, but his wounds run deeper than flesh. The already volatile Jason is haunted by what happened to him and is unwilling to confront his demons, so Bruce Wayne brings in a psychiatrist to talk to him. Can Jason recover from his ordeal? Is the Batman ultimately to blame? And then there is the question on everyone's mind: who killed the Joker?

Writer J.M. DeMatteis (*Justice League International*) and artist Rick Leonardi (*Nightwing*) spin the story of what would have happened if the fans had chosen differently. *From the DC Vault: Death in the Family: Robin Lives!* collects the entire four-issue miniseries along with *Batman* #426, #427, and #429 and the faux-single issue *Batman* #428: *Robin Lives!* that lead up to this momentous elseworld.

From Eisner Award-winning writer Tom Taylor (*Nightwing*, *DCeased*) and rising artist Yasmine Putri comes an Elseworlds epic about a hero from a distant world, a dark knight crusader, and an Amazon warrior set in a world of steel and magic.

Peace between the kingdoms of El, the Kingdom of Storms, and the Amazons has always been uneasy. But when a member of the royal family of El is assassinated to prevent a dark prophecy from coming true, the only remaining course is all-out war. But was the prophecy itself accurate, or is a far greater evil responsible for setting the three realms against each other? Swords will clash, spells will be cast, and blood will be spilled as the war of the three kingdoms begins! This deluxe edition collects *Dark Knights of Steel* #1-12 and *Dark Knights of Steel: Tales from the Three Kingdoms* #1 and features an introduction by Mark Waid and a new cover by Yasmine Putri.

ALL-STARS TOM KING AND PHIL HESTER'S DEFINE THE ORIGINS OF GOTHAM CITY!

GOTHAM CITY: YEAR ONE

Written by **TOM KING**

Art and Cover by **PHIL HESTER**

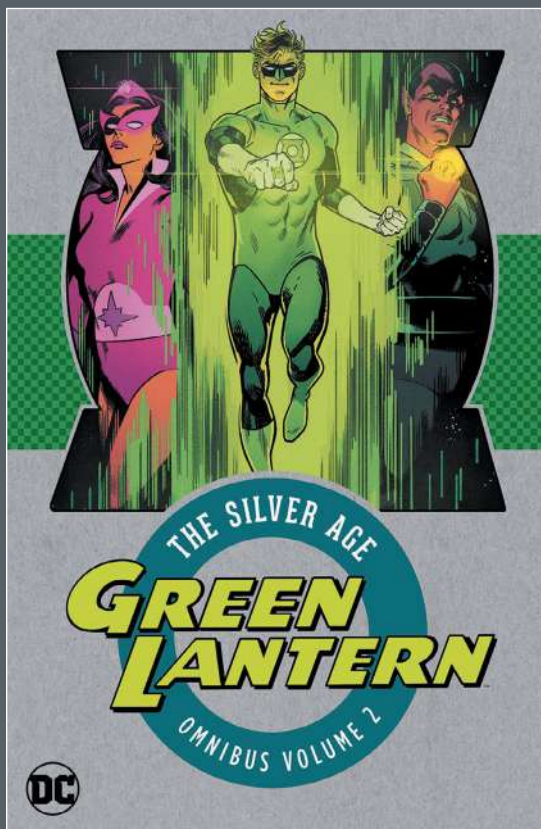

\$19.99 US | 208 pages | 6 5/8" x 10 3/16" | Softcover | ISBN: 978-1-79950-385-9

ON SALE 4/1/25

There once was a shining city on the water, a home for families, hope, and prosperity. It was Gotham, and it was glorious. The story of its fall from grace, the legend that would birth the Bat, has remained untold for 80 years. That's about to change.

Superstar creators Tom King and Phil Hester team up for the first time to tell the definitive origin of Gotham City: how it became the cesspool of violence and corruption it is today and how it harbored and then unleashed the sin that led to the rise of the Dark Knight. Two generations before Batman, private investigator Slam Bradley gets entangled in the kidnapping of the century as the infant Wayne heir disappears in the night...and so begins a brutal, hard-boiled, epic tale of a man living on the edge and a city about to burn.

Collecting *Gotham City: Year One* #1-6.

ON SALE 4/15/25

Offered again! The foundation of the Legion's world has always been that the universe of the 30th century is a utopia; that crime, disease, war, and even death have largely been conquered; and that humankind has reached a new golden age. But a lot can change in five years.

After a war between science and magic caused a galactic upheaval that left the Legion without funding, purpose, or support, the Legion disbanded. But one thing hasn't vanished completely...the original dream. Only one of the few remaining heroes remembers what it was all about, what the Legion once represented. And he's out to put the band together. Collects *Legion of Super-Heroes* #1-39, *Legion of Super-Heroes Annual* #1-3, *The Adventures of Superman* #478, and *Timber Wolf* #1-5.

J2 has created the ultimate reality-show stunt: create a human clone from DNA lifted off the Shroud of Turin, implant it in the womb of a virginal teen mom—who then gives birth, on live TV, to a boy who could be the second coming of Jesus Christ Himself. The kid called Chris is an instant superstar, his every waking moment recorded and broadcast to billions of faithful viewers. But when Chris discovers the sinister secrets of his own creation, he becomes a rebel with a cause—and a guitar.

Written and illustrated by Sean Murphy (*American Vampire: Survival of the Fittest*, *Joe the Barbarian*, *Hellblazer*), *Punk Rock Jesus* is the searingly personal, visually dazzling story of a boy destined to find greatness, three chords at a time.
