After a horrific series of events, the world is in shambles. Matt Murdock is old, and his powers have faded to nothing. Marvel's groundbreaking saga of the Vietnam War gets the Omnibus treatment!

Don't worry about choosing sides. This far into the heart of darkness, things get pretty gray. Follow Private Ed Marks and his fellow soldiers through a jungle of blood, lies, betrayal and valor. And meet Mike "Ice" Phillips – one of the few brave souls who stayed with the series until nearly its end. It's the war that defined a generation – where the heroes may not be super, but they're all too human. The men of the 23rd Infantry Division face a battle for survival, complete with flashbacks on the front, worries in the world back home and murder in the ranks. New soldiers enter the war, and old ones leave it – and there are too many bad ways to leave a war. Plus: The battle lines get even blurrier as enemies display their humanity and soldiers show their darker sides. Collecting THE 'NAM (1986) #1-45 and material from SAVAGE TALES (1985) #1 and #4.
